Letter from the President

Dear MU Sisters:

I hope everyone has been well and somewhat sane during this trying time. This year will be a little unusual for a couple of reasons. The first being the pandemic and the second having me as your president. Luckily, Mary Beth and Linda are helping me navigate this new position. I hope to see you at our next meeting October 5 at Libby's Restaurant. It will be a business meeting and I'd like anyone with suggestions for speakers or activities to let me know about them. Also, if you have any questions or concerns please let me know. Again, I am looking forward to seeing everyone.

Terry Mayfield
